NO	QUESTIONS FROM THE BIDDERS	ANSWERS FROM NSA
1	<p>Performance security is only needed to be provided by the successful companies, right?</p> <p>Item no 3 car charger on the specification you put " extension cable length: 1.5m" which cable is this? Do you mean the car charger must come with a charger cable? if so, which type? is C type or iPhone type. also take note that the cable length cannot be 1.5 m. OR maybe this specification is not correct on this item. page 64.</p> <p>Page 70, You put the price schedule must be typed. no handwritten. can you please share the soft copy for this page so that we can be able to type the price?</p> <p>On the reference letter in the absence of the letter are we able to provide the purchase order.</p> <p>Manufacture authorization letter can the companies put the sample that you provided on their letter ahead.</p> <p>Since you need a 3-year financial statement. Can we provide for the year 2020,2021 and 2022? Since 2023 financial statements are not yet available.</p>	<p>Yes</p> <p>Yes, the cable length should be 1.5meters as per the technical specifications (x2 USB, x2 Type-C)</p> <p>Yes, this can be shared in PDF format</p> <p>Only reference letters on the letter head of the referee will be acceptable in this regard.</p> <p>The Authorization letter should be on the letter head of the original equipment manufacturer.</p> <p>Yes, 2019/2020, 2020/2021 to 2021/2022 is sufficient.</p>

2	<p>9. Bidding Process: Is it possible to bid for select lots, or is participation in all lots of mandatory?</p> <p>10. Equipment Approval: We would like to seek clarification regarding the approval process for ICT equipment to be supplied and delivered for the upcoming project. Specifically, we would appreciate guidance on whether all ICT equipment, including non-wireless devices, should be CRAN approved, or if it applies only to specific items such as wireless fidelity (WiFi) devices.</p>	<p>A bidder can bid for one or many lots, it is not mandatory to bid for all lots.</p> <p>All electronic equipment proposed should be type approved by CRAN unless type approval is not required for that item refer to communication act 8 of 2009 and type approval regulations</p>
3	<p>CRAN Approved Products, how do we get this and how will CRAN approve a product without it being physically available to them to test? Or do we supply the sample to CRAN to test the product before we quote them? How will this be done?</p> <p>Fittest Certificate for warranty centre, Does this has to be in the name of the supplier/bidder or any from a recognized warranty centre?</p>	<p>Just make sure that, the item you are proposing is part of the list of type approved equipment in Namibia, so that you are not delayed during delivery because of type approvals that are not available a situation we will not entertain.</p> <p>Either, authorisation from the owner of the facility should be provided if not in the name of the bidder.</p>
4	<p>May you provide a picture of Item 6: Multi power plugs for accuracy purposes?</p>	<p>The specifications are detailed and specific please follow those.</p>
